Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative indicated that claims 9-15 were not addressed. The examiner indicated that on page 5 of the last Office Action the limitations of these claims were addressed; however, the examiner had inadvertently omitted the claim numbers in the first line of the rejection on page 5. In addition, applicant's representative indicated that this had made it not possible for applicant's representative to proceed with understanding the Office Action. A supplemental action will be sent in order to clarify this. The Supplemental Action will restart the Time For Response.
